- Tree cutting policy
- Long-term greenbelt issues & health

## Announcements

### Website

Chestnut Glen now has a website, thanks to the efforts of resident John Romanschil! Please visit [www.chestnutglen.com](http://www.chestnutglen.com) to check out the site. Currently the site has the latest meeting minutes, the CC&R's in PDF format, photos and contact links for the Board and Block Watch, with more stuff to be added over the coming months.

If you have any suggestions to improve the site and things to add to it to make it more useful to the community, please let us know. Suggestions and ideas may be submitted through the comment form or John's email address on the "Contact Us" page. To get to the form, click on the "Contact Us" link in the black bar on the top right side of the homepage. There you will find the form and John's email. For the form, please select "Webmaster" from pull-down menu at the top of the form under the "Board member" heading and be sure to provide your contact information, in case we have questions about your idea or suggestion. Click the "Submit" button to send.

In an effort to save the cost of mailing meeting notices and other HOA-related items to 73 residents, in the future all community announcements, meeting dates, documents and other community news and information will be posted to the site instead of being mailed. To be automatically notified when new items are posted to the webpage, enter your email address in the box on the top right side of the homepage under the heading "Email Subscription". A confirmation email will be sent to your email address, click on the link in the email to confirm your subscription. Every time something is updated or posted, you will receive an email notifying you of a change.

### Volunteers Needed

Volunteers are needed for a neighborhood improvement committee. The committee would help organize the neighborhood clean-up days, field ideas, help create a plan to improve the front entrance to the community and consider other community improvements.

As always, if you have any questions or concerns, please feel free to contact me!

Sincerely,

**Jason Rogers**

President
